

Official letter dated 25 January 1979 and written by lawyer J. Delcourt (President of the Karate European Federation), who congratulated Dr. Carmelo Rallo (President of the Committee of the Region of Sicily) and asked him to convey his congratulations to Master Dan Sita (National Technical Director of the FIK&DA) on the occasion of the final at the Kung Fu European Championship held in Catania on 29 January 1979, where the Italian national team won against Francia. It should be noticed that the entire national team was composed solely of athletes of the Italian Wushu National Academy, based in San Lazzaro di Savena (Bologna, Italy) at that time.

Master Dan Sita held the office of CONI Chief of the National Technical Commission within the FIK&DA.

Lawyer J. Delcourt was appointed President of the Karate World Federation in 1982.
